

## DONORS DRIVE OUR ORGANIZATION

Your generosity keeps cancer patients on the road to care.

Volunteer drivers travel more than 1 million kilometres a year so patients can get to treatment—free of charge. Your support keeps this vital service moving for those who need a ride to care.

Donate online through our secure form:

## ABOUT US

The Volunteer Cancer Drivers Society (VCDS) is a registered Canadian charity that provides complimentary transportation to and from cancer treatments and related medical appointments throughout Greater Vancouver and the Fraser Valley.

Our volunteers are dedicated to supporting cancer patients on their journey to care. When transportation worries are lifted, the stress eases—so patients can focus on healing and feeling their best.

## MISSION

To serve cancer patients in need with compassionate and personalized transportation to care with community funding.

## WAYS TO VOLUNTEER

Whether behind the wheel, on the phone as a dispatcher, or supporting administration, every volunteer helps drive our mission forward.

# BOOK-A-RIDE How It Works

## 1. Register or Book a Ride

*Please give as much notice as possible.*

**Use our simple online form:**

[www.volunteercancerdrivers.ca/book-a-ride](http://www.volunteercancerdrivers.ca/book-a-ride)

**Or call dispatch to leave a message at:**

**604-515-5400**

*For safety, passengers must be able to get in and out of the vehicle independently. Foldable walkers and wheelchairs can be accommodated if they fit in a standard vehicle. Please inquire about driving children.*

## 2. Confirmation

Registering and returning patients will receive confirmation details by email from a dispatcher.

## 3. Driver Coordination

A driver from your area will be assigned to you. They will contact you directly to confirm pickup time and conduct a brief health-safety check.

# YOU ARE NOT ALONE

Our caring volunteer drivers provide complimentary transportation to and from your essential cancer treatments.

We understand the challenges you face, and we want you to know that you're not alone.

Our volunteers are here to make your journey to care a little easier.

## A Patient's Heartfelt Gratitude

*"I am so grateful for the selfless service of the drivers. They have been such a great support throughout my difficult health journey. They always have a ready smile and wait patiently until my appointment is over.*

*As always, I am so very grateful because I could not have managed without help and support."*
